

Dear Friends in the Lord,

Time for another update. The saga of the sale of the property at the Voice of the Gospel ministries continues. There was a hearing at the commercial court on the 30th of January. This is because our buyer has illegally declared himself bankrupt and our lawyers are fighting this. The next hearing for the court case regarding the sale of the property will take place on the 10th of this month. There are therefore two court cases going on and all we can ask you to do is pray for a good and just outcome and for justice to be done.

The Alpha couples' course continues and seems to be meeting a real need among the four couples who attend. One couple is asking for an Alpha 'classic' course to be started as they would like to do this. This is most encouraging, and we are looking into the possibility of starting up another Alpha course for this couple and for others who would like to attend.

Later this month on the 23rd we are starting a special accent on the word of God campaign called 'Listen'. It will begin with a special worship evening on the 22nd and then continue through to the 6th of April with special preaching sessions geared towards listening to God through His word. The home groups will meet weekly, for those who can, instead of every fortnight and we will have a conference on the veracity of the bible on a Saturday morning during the campaign. We look for a time of blessing during this campaign.

For the literacy class that Alison is involved in a lady came forward to help replace the two ladies who stopped being involved. Unfortunately, she is not able to continue so the literacy classes are back to having a staffing problem. We do pray that the right person or persons will come forward to fill the gap.

That's most of the news concerning the work. On a more personal level Alison continues to be followed up for the problem with her eyes. She had another eye injection recently and will see the orthoptist again later this month. The health care is excellent, and we just pray that the problem with her double vision will right itself with the treatment she is receiving.

We thank you again for your prayer fellowship with us and we send our warm greetings in the Lord,

Graham et Alison.
