

Dear Friends in the Lord,

It's good to be in touch with you again and to bring you another update.

We had an excellent time at our church weekend last month. There was a really good atmosphere and a good spirit throughout the weekend. It was so good to have people with us who haven't been coming to the church for very long and to get to know them better.

On Saturday 2nd we will be attending the 50th anniversary celebrations at l'Eau Vive Provence. We were first in contact with L'Eau Vive away back in 1973 at the beginning of our ministry in France and we have had many occasions to enjoy happy fellowship with the centre down through the years. We do pray for a rich time of blessing as we meet up again with many folks whom we haven't seen for many years.

This Sunday, 3rd July we are having a special family service to round off the Sunday School year. Children and young people will be taking part and a short message on Zacchaeus will be given. Graham would appreciate prayer as he brings this message.

Activities have wound down or are winding down for the summer. We do pray that the Lord will keep and watch over each one while there is less activity going on. We would value prayer for the youth activities. It's not yet clear who is going to take responsibility for the youth work after the summer and this matter needs to be looked into and prayed over very seriously.

On a more personal note Graham had his six monthly visit to the oncologist recently and again received the all clear. These visits will now take place once a year and his hormone treatment has also been stopped after five years of taking it. We do praise the Lord for the progress made and for good health.

We will soon be coming over to Scotland and will be there from mid-July to the end of August. We will be based in the missionary flat in Edinburgh. While we don't want to be running all over the country taking meetings we will be available for some meetings during our stay. Please contact us personally for this.

We thank you again for your interest, practical fellowship and prayers and we join again in sending our warm greetings in the Lord,

Graham et Alison.
