Dear praying friends,

Warmest greetings in the Precious Name of our Lord Jesus Christ. Below are some specific requests for your fellowship in prayer for the **Gospel tent ministry**.

- The gospel tent season commenced in early April.
- Children already enquiring if tents will be going to their area.
- Work with children begins once schools finish in mid June.

Prayer would be appreciated for:

- safety for all those involved.
- gospel literature given out will bear fruit.
- the message of the gospel will be understood by those listening and result in conversions.
- wisdom to be given to those involved in conversations with different people.
- health and stamina for the teams working with children.
